MEMORANDUM FOR: Deputy Director of Central Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: PFIAB Report on Recruitment

1. I think this PFIAB report on recruiting needs more than a brush-off answer than is proposed here. I agree that many of the recommendations have been dealt with but I do think we should carefully examine the idea of supplemental recruiting programs focussed on special ethnic and occupational groups which start out with specific linguistic or operational experience.

2. I think we ought to meet with [redacted] and see how he has done and then get a larger meeting of the deputies and recruiters to review the PFIAB report with specific attention to the item on page 5.
